Super Seka

A SUPER-SPECIAL!

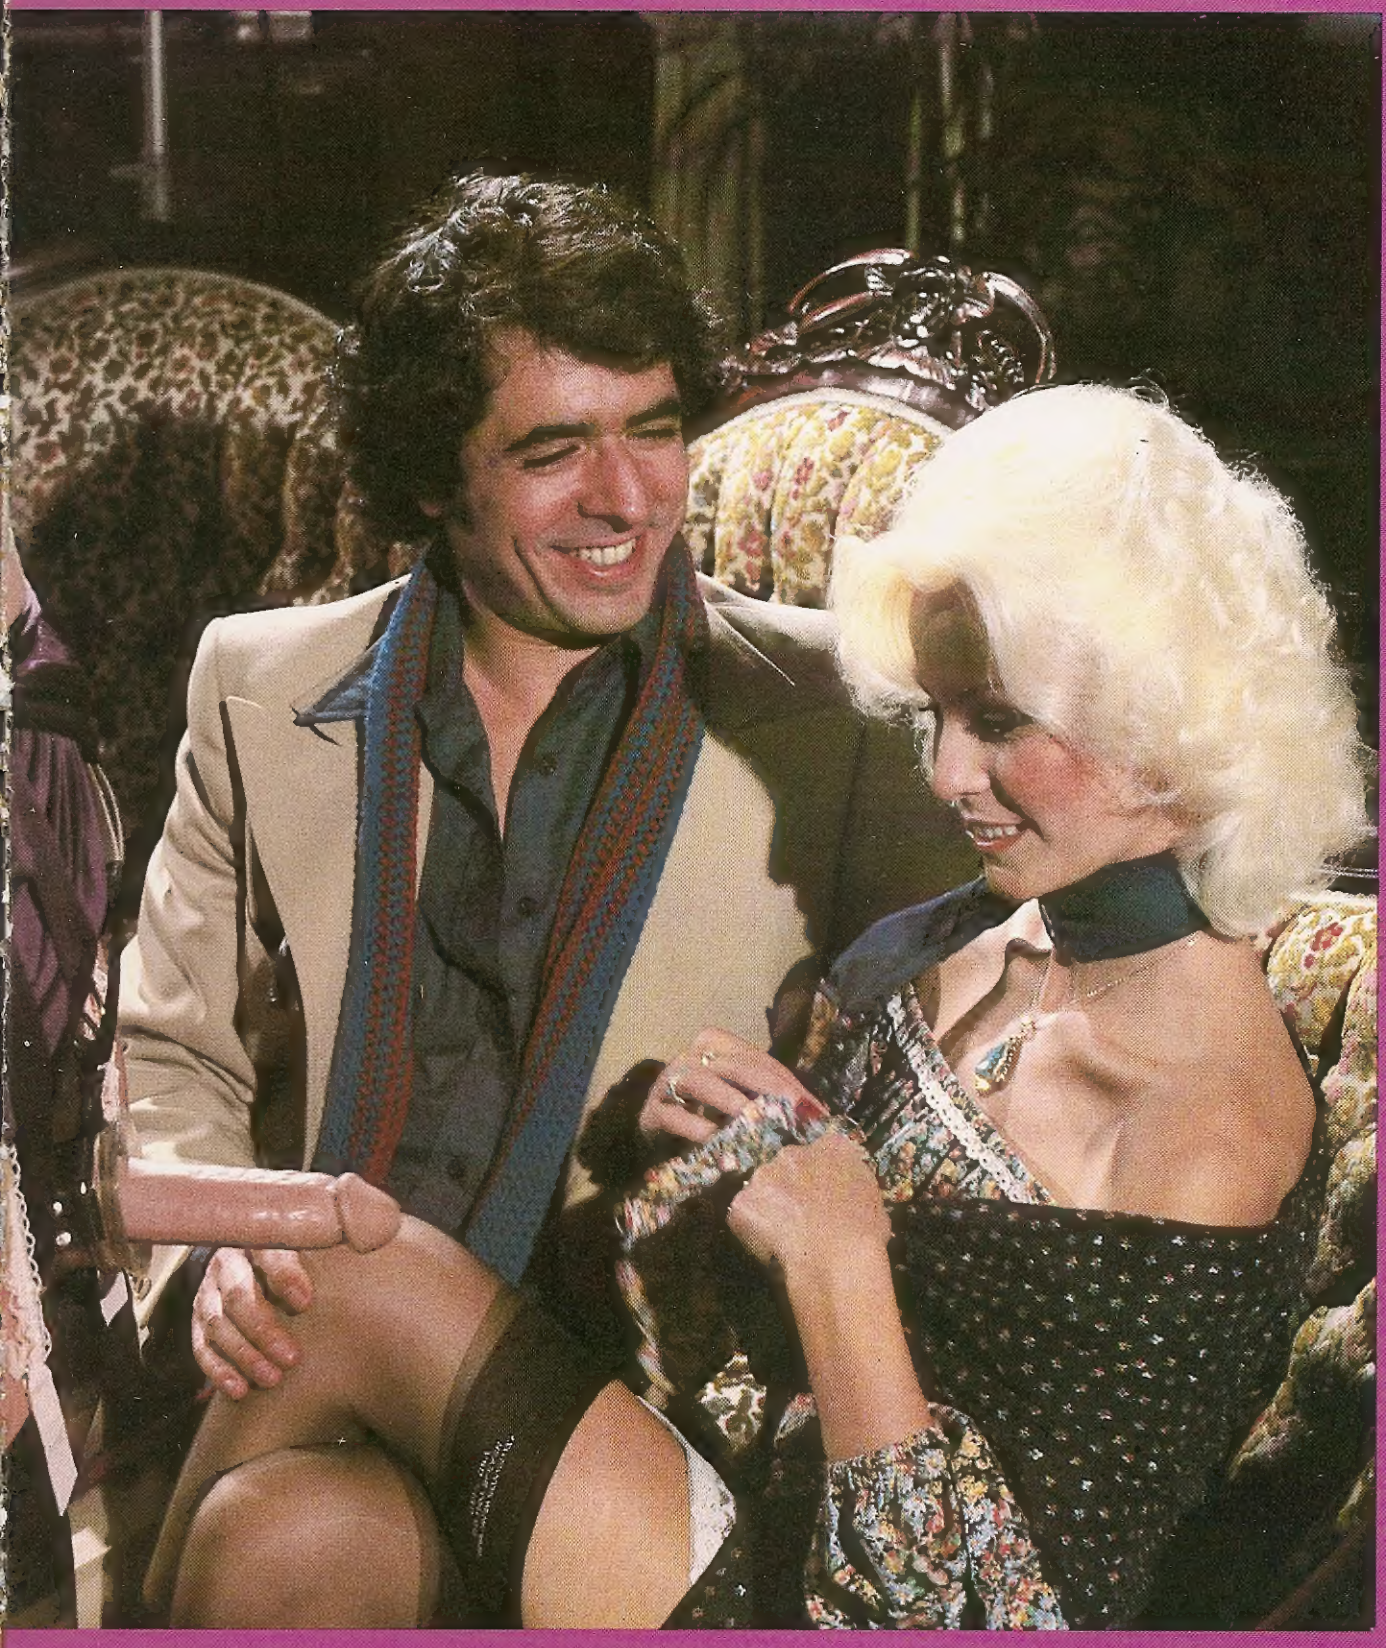
Featuring: John Holmes

With: JAMIE GILLIS, PATRICIA LEE AND PEG NORTON

Super Seka

On the long ride to the airport, Seka and her girlfriends exchange confidences and a little more. What's a busy girl to do? There's just not enough time for everything, so do it when and where you can. Harry, the airline chauffeur, doesn't seem to mind at all.

She comes out with the hydraulic dildo strapped between her thighs. Everyone admires it; Peg holds tighter to the cock in her hands and Seka can't help wondering what it would be like to get fucked by the fascinating machine. Everyone strips off their clothes.

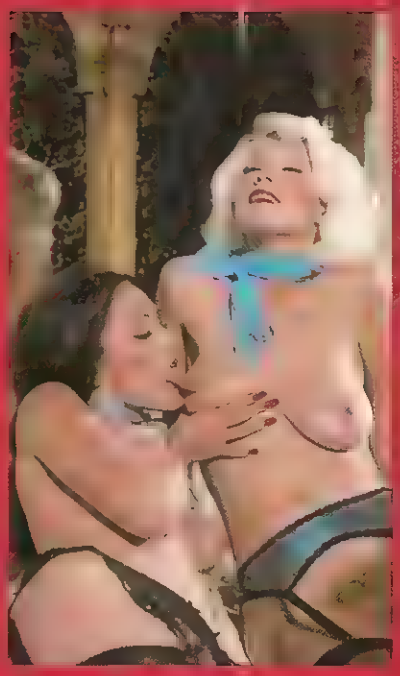


Seka and Peg suck off Jamie. Then the dildo is ready and Seka turns her attention to a good mechanical fucking while Judy wiggles herself down onto Jamie's throbbing cock.

Seka will do anything to get herself off. While Jamie plugs it to Peg, he watches the other girl stick it to Seka — hydraulic fucking style — and everyone has the time of their lives. Ain't technology wonderful!

Dom stops in a bar near the school. Sally recalls him right and insist Penny decided to take on the girls and found up getting it on. Sometimes, however, Dom wasn't there to help us. Sally was trying her best to be with Penny, but was down to the girl's bathroom.

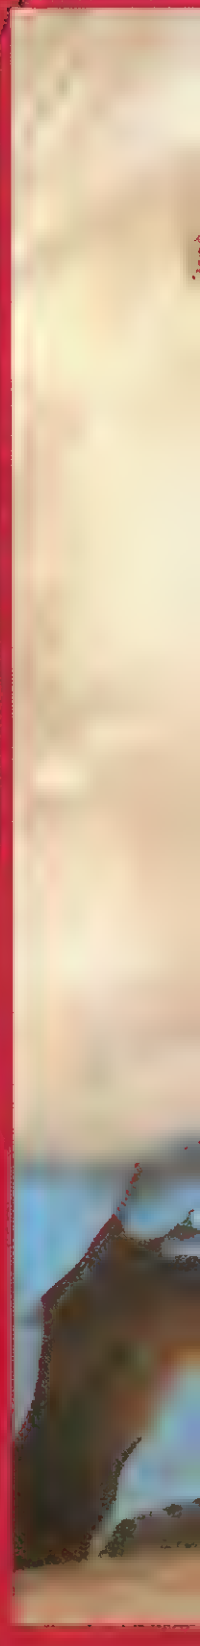
The pilot is almost ready and Patricia taunts him into a full hardon, fondling her own tits and cunt. She and Seka go down on the man, sucking his cock as deep as possible down their throats until they can withstand temptation no longer and begin fucking him



The pilot is resting his aching back, but the women are not yet through with him. So long as his cock is hard their mouths are hungry for him. Seka can never get enough of any man's organ, no matter how hard she tries. But she tries, and tries.

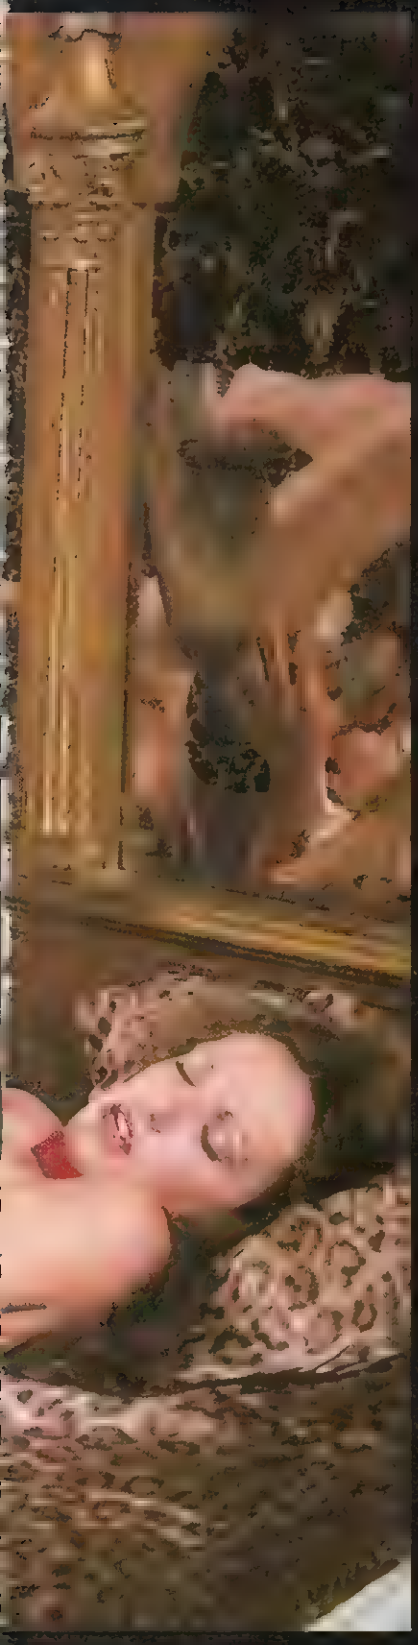
The pilot is totally turned on and taking everything he can get. First his cock is churning deep inside Patricia's cunt, then he's switched and is filling Seka's snatch to the brim. When he isn't eating one he's fucking the other, or one of them is sucking him off. He has a lot of cock and the two women are getting as much of it as possible.

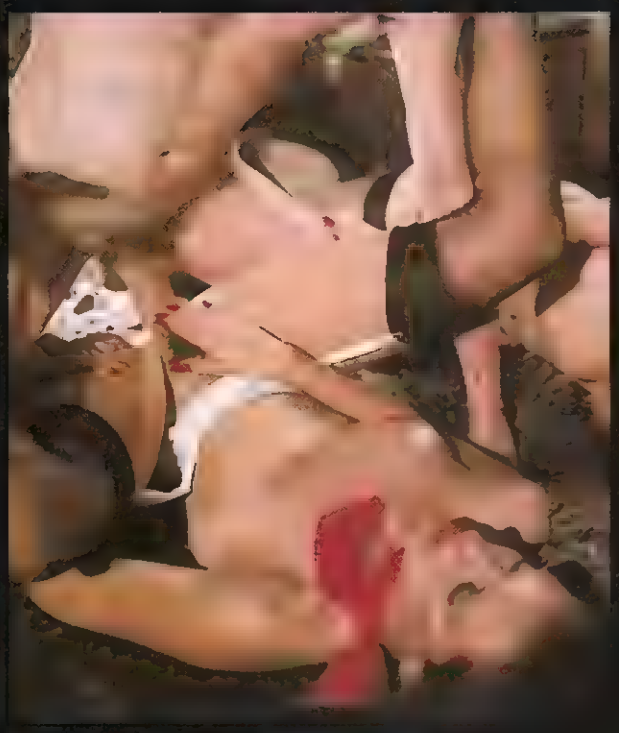
Fair is fair, and the pilot isn't going to give one of the gals more than the other. He fucks each of them in turn now that his strength is returning. And while he's fucking each gal, the other is giving her the cunt licking of her life. Each of these gals loves pussy as much as they love cock, which certainly lends dimension to



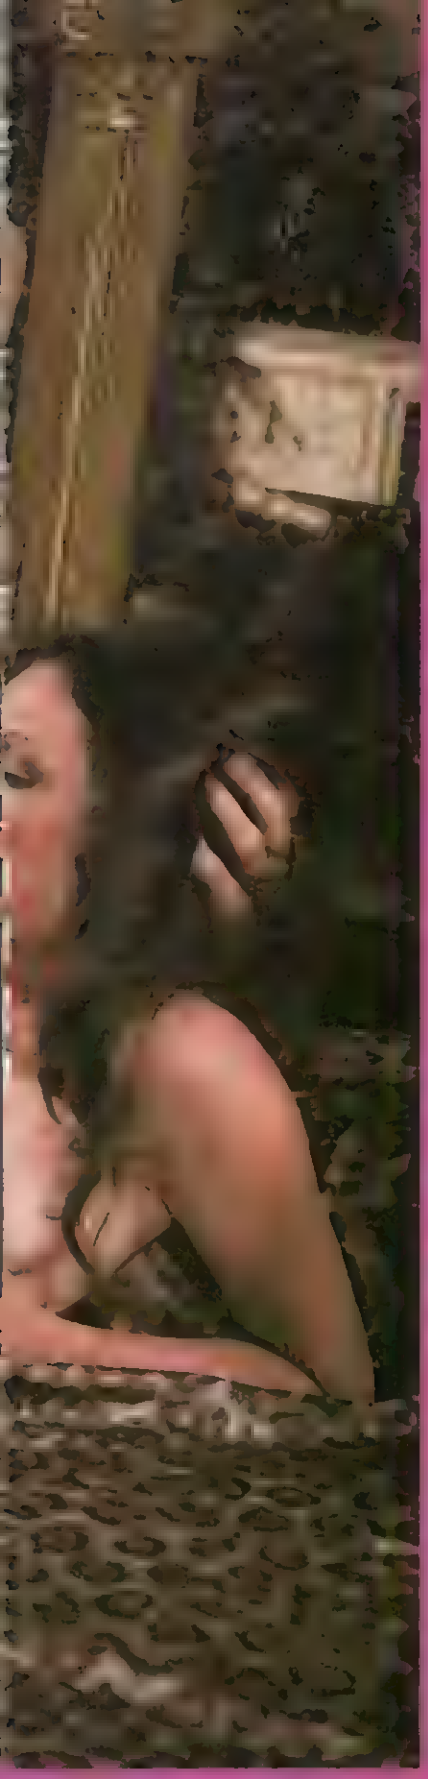
For the grand finale both girls go down on the pilot, starting with a thorough licking of his balls and working their way up the length of his cock until he can stand it no longer and rewards them as expected — with a double facetful of cum. Obviously, pilots have to know more than merely how to fly a plane!

Seka and Patricia always seem to find themselves sharing layovers together — which always seems to lead to fooling around between the girls. There was the time their plane was grounded for 24 hours and they spent the day with Big John, the thrill of airlines hostesses from coast to coast.





There's more cum still inside John, and the two ladies team up to get the rest of it out. This time they do it with their cunts as his weapon plunges deeper into each of them in turn than any cock has ever gone before. The largest cock ever to appear before the cameras reams and bulges their pussies until John's magma spurts and spurts again inside them. And in their free moments the ladies play with each other.



While Seka licks greedily at Patricia's snatch, Big John gives the thankful girl the reaming of her life. Lucky Pat! She doesn't know which to like better — the

SWEDISH
EROTICA

Seka reminisces with her airline hostess girl friends about her sexual adventures. She recalls the time a pilot gave her a **Swedish Erotica** tanktop shirt and then asked if he could come over later to see her wearing it. Oops! There's the doorbell. Her pilot has arrived

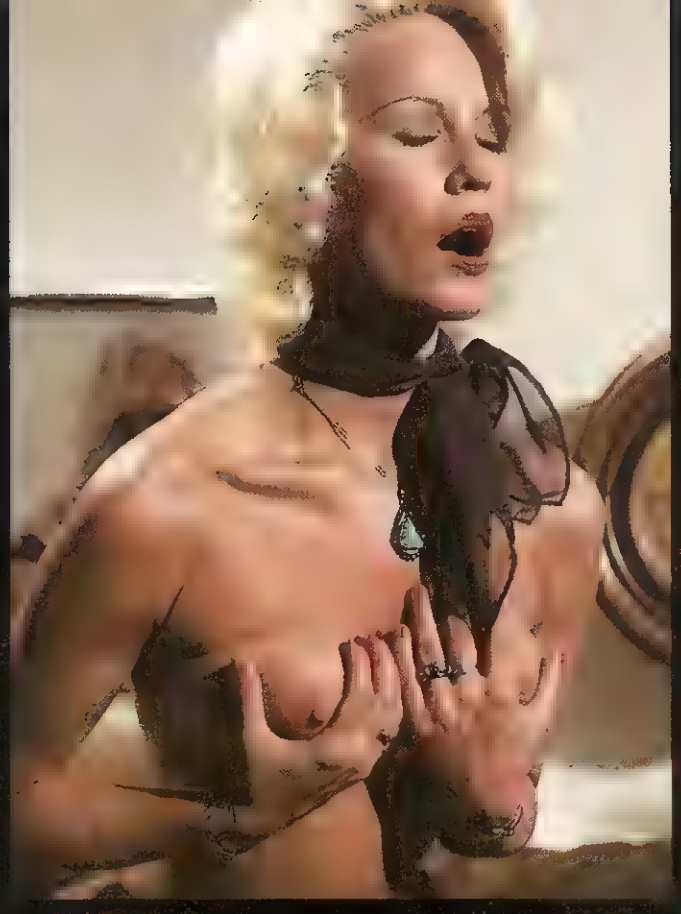
Standing up gets quickly tiring and soon the couple is laid out on the couch for a little sixty-nining. When they tire of that — and Seka's friend can feel his come building up dangerously — they switch off doggy fashion. Not doggy style in Seka's pussy, though: this guy's going for her ass. Seka likes it in either hole and she plays with her clit while her friend fills her intestines until she thinks she'll burst.

In a masterful bit of athletics the couple switch positions until Sekai can get her favorite position. Now the action gets really hot and heavy! And that old clock on the wall still ticks the time away.

Riding her pilot as though he was a prize thoroughbred, Seka gets off like she hasn't in quite a few layovers, at exactly the same moment her pilot makes it, too. Their moans of pleasure fill the room and Seka slumps back exhausted. They have beaten the clock: there is still time for the pilot to have a quick shower and catch his breath before he's off on another run over the Pacific.



Still reminiscing with her girl friends, Seka recalls the time she and her air hostess girl friend got it on with the flight steward. That was a session hard to forget, she says. Her girl friend agrees.

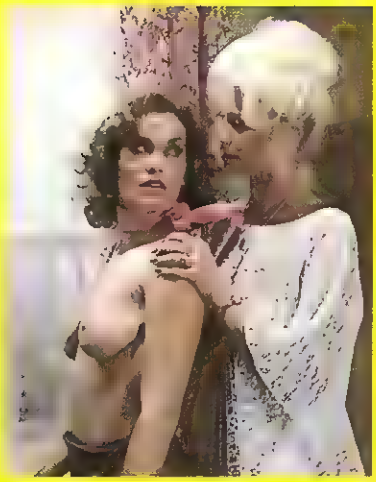
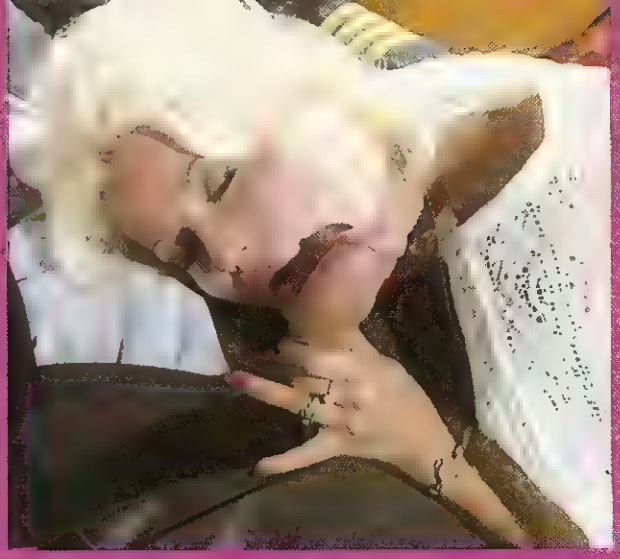
After the fucking is over, Seka and her girlfriend give the guy a special treat; they both go down on him at once. They all end their sex session in an explosive climax of spouting cum, which the girls obligingly lick up. No point in wasting all that healthful protein, Seka explains

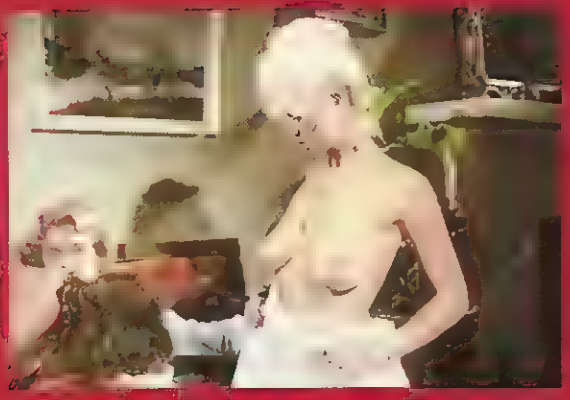
Then there was the time Seka bought herself a particularly sexy negligee, she remembers, and had to show it to someone. First she shows it off to her girl friend. But that just turns the girl friend on, which turns on Seka. Soon there are two horny girls, but no guy to satisfy them. The girl friend calls her boy friend, offering to share him with Seka.



Before the two girls have gotten down to any serious fooling around among themselves, the boy friend arrives. Lucky boy friend! He soon finds out what's in store for him, as Seka goes down on him before he's had a chance to get his pants off.

Pretty soon the girlfriend is munching on his cock, too. As soon as Seka tires of him the other girl is down there swallowing as much of his cock as she can cram into her mouth. The boy friend seems content to let this go on as long as the girls like.





But Seka quickly tires of the oral sex bit and stops for action. Taking matters into her own hands she climbs aboard the stunned boyfriend and settles herself on his upright cock. The other girl doesn't mind. Content to stick her tongue in wherever she can

While the boy friend plugs his girl friend, the girl friend sixty-nines with Seka. What a party! Two girls at once and the guy hasn't even begun to tire. After an endless round of sucking and fucking, all three partners feel their come rising and the scene explodes into a cum-splattered ending that viewers won't forget for a long time to come.
